

EVERLASTING TASTE

Mother Teresa once said, “Kind words can be short and easy to speak, but their echoes are truly endless.” Have you ever met someone meek who respected you and was sweet, gentle and kind in his/her words and actions? Maybe a friend, a family member or even someone who is no longer alive but filled your life with an everlasting sweet taste.

- Take some time to think about a kind-hearted person who left a sweet taste in your life.
- Thank God for this person and for the sweet taste he/she left in your life. You can also ask him to help you show respect to others by being kind in all you think, say and do.
- On one of these sweet templates draw or write a kind message.
- Stick the sweet to the popsicle and place it anywhere so that it will fill the lives of others who see it with a good taste.
