

# JESUS WINS

Has it ever happened to you that you tried hard not to sin, and you sin again? The Good News is that Jesus is always with us in our fight against evil and He always triumphed over evil.

- Stick the two paper cups covered in foil or wrapping paper bottom to bottom and place them at aside.
- Think of one sin (such as lying, greed, jealousy, etc) which you do every time you let the evil spirit control your thoughts and actions.
- On the piece of paper write the words: 'Jesus Wins Over Evil' and stick it onto the bottom cup which is faced down.
- Stick the two pipe cleaners on either side of the cup on top to form the handles of the winning trophy.
- Pray God to strengthen your faith in believing that He triumphs over all evil including our own so that we can become more like Him.
