

Instructions

1. Print the template.
2. Colour and cut out all of the pieces, and stick them on card to make them stronger.
3. Assemble The Body: Fold on the solid and dashed lines. Glue the hinges to the sides of the legs. Slit both of the solid lines on the back of the sheep.
4. Assemble The Head: Fold on the solid lines. Add glue to the underside of the middle square and fold the head back gluing it in place.
5. Finally place the tail part of the head piece through the first slit of the back of the sheep and bring it up through the second slit.
