St Matthew

St Mark

St Luke

St John

Jesus said, "I am the way, the truth and the life."

How am I going to allow Jesus to show me the way, listen to his truth and live as he wishes me to?

How can the traffic lights help me in all of this?

In each decision I am going to take,
I need to **STOP** and think about how Jesus would like me to decide. Which is the **WAY** that Jesus is asking me to take?

I need to **SLOW DOWN** and allow Jesus to show me the **TRUTH**. This truth may be different from what I had in mind!

When I am ready, I **GO**, because now the decision I am going to take will be in **TRUTH**, it will help me to choose the right **WAY**, and it will lead me to live the best **LIFE** ever, for myself and for others around me!
